Dance Elements Company Member & Parent/Guardian Conduct Agreement

In consideration for my participation in Dance Elements Company, I agree to the following conditions:

General Notice

I acknowledge that being a member of the Dance Elements Company is a privilege. All Company members will be held to the highest standards of conduct. Company members must show courtesy and respect to teachers and other students both inside and outside of the studio. Any student who exhibits repeated disrespectful behavior to teachers or other students will be asked to leave Dance Elements.

Attendance

A dance company is a team. Just as sports teams require all players to attend practices, dance companies require their dancers to attend all classes and rehearsals. Absences will hold back not only the individual dancer, but the company as a whole. Dance requires consistent ongoing training, and dancers who miss several classes due to various reasons will not be able to compete at the same level as those who have attended classes regularly. Regular attendance in all dance classes is expected of Company members. However, if a Company member should be absent, it is their responsibility to notify staff beforehand.

Code of Conduct

Dancers:

- are expected to attend classes regularly.
- need to be on time. Warmup is very important to prevent injury. If it is later than 20 minutes to class, they will be asked to sit and watch.
- are to treat staff and each other with respect.
- are expected to treat the studio and others possessions with care and consideration.
- are expected to clean up after themselves and any mess they create while at the studio.
- understand that correct behaviors are expected at Dance Elements and that gossiping inside and outside of the studio will not be tolerated.
- are not to use cellphones during designated class time. Cellphones are to remain outside of the classroom and should only be used for contacting a parent/guardian and/or emergencies during class.

Parents/Guardians:

- agree to respect all agreements and procedures set out by Dance Elements.
- agree that their child is in good physical condition to participate in class and will tell staff about any medical conditions or allergies.
- will let Dance Elements know if their child has been injured or may need to take care while in class.
- understand that children showing inappropriate behavior will be removed from class.
- will partner with Dance Elements to resolve the issues so their child can return to class quickly.
- are expected to respect all Dance Elements staff and families.
- must supervise their children while waiting in the lobby to make sure they do not disrupt classes. Parents and dancers must also make sure to keep the studio clean!
- Will make sure their child does NOT come to Dance Elements when experiencing the following symptoms: Fever, Cough, Shortness of Breath, Chills, Headache, Sore Throat or Loss of Taste/Smell

Process

I, as a company member, understand that any violation of these rules will result in the following consequences:

- 1st offense: Dance Elements staff will call parents/guardians to discuss the issue(s) at hand.
- 2nd offense: Dancer will be suspended after a private meeting with parents/guardians and Dance Elements staff.
- 3rd offense: Dancer will be asked to leave Dance Elements.

If I am expelled from Dance Elements, I understand and agree that Dance Elements will not be held responsible for any financial loss I may incur, including but not limited to those incurred as a result of paid registration fees, tuition fees, competition fees, travel expenses, or other expenses related to my participation in Dance Elements Company and my violation of this student conduct agreement.
